

What are we learning?

Math:

In math we will finish and assess Unit 1. Please continue to return the yellow "Homelinks" the following day. These homework sheets are meant to be a review of what is being taught in class.

Language Arts:

Our concept question for this week is "What is outside our door?". We will discuss the following concepts: plot, realistic fiction, verbs, writing sentences, alphabetical order and letters/sounds: f, b, g, i. Our vocabulary words for this week will be active, lawn, pavement, newspaper, puddle, banner, overflowing, & patio. The family times paper does not need to be returned to school.

Writing/Unit:

During writing/unit we will continue to build our classroom community by having class meetings. We will also be discussing apples, their life cycle and Johnny Appleseed in preparation for our field trip to Strite's Orchard next week.

Spelling Words:

The first six weeks of school are to review letters/sounds and practice simple spelling patterns learned in kindergarten. We will not begin official spelling word lists until mid-October. ☺ In the meantime, really practice those high frequency words!

High Frequency Words:

Each week we will highlight a set of these words and work on them here at school. The highlighted words can be found under the language arts sections of this newsletter. Please practice these words with your child until they are mastered.

This week's words:

was
yellow
do
you
look

R E M I N D E R S

- Please be sure you are reading EVERY night! Whether you are doing the reading or your child is reading, READING together is so important in first grade!!
- Don't forget to collect your Box Tops and send them into school with your child.

We had a great week in First Grade!!!
